Sheriff Richard Mack

From a parking enforcement cadet in Provo, Utah, to a fulltime officer and promotions to detective, to his successful run for Graham County sheriff in Arizona and serving two terms to 1997, Richard Mack has served nearly twenty years in law enforcement.

During his service he was named Elected Official of the Year by the Arizona-New Mexico Coalition of Counties in 1994, received the NRA Law Officer of the Year, inducted into the NRA Hall of Fame, 1995 Cicero Award, Samuel Adams Leadership Award from the Local Sovereignty Coalition, and Gun Owners of America Defender of the Second Amendment Award. In 1994, Mack and six other sheriffs from across the country, challenged the constitutionality of the Brady Bill and ultimately, fought it all the way to the United States Supreme Court, where they won a monumental decision for freedom.

He is now an author and speaks at [seminars](#) to provide information to law enforcement officers and officials (as well as the public) as to the constitutional duties of the county sheriffs. Sheriff Mack's book, *America's Last Hope*, proves once and for all that the sheriffs in this country are indeed the ultimate law authority in their respective jurisdictions. The sheriff absolutely has the power and responsibility to defend his citizens against all enemies, even from our own Federal Government.

He will be giving a seminar at the Elks Club, 37 Fourth St. in Old Town at 1-3PM for ALL law enforcement officer/official ONLY and then a public meeting (anyone who is not a law enforcement officer/official) at 5-7PM on Dec 18, 2010.

Donations will be taken at the door. But since Sheriff Mack needs these funds to travel here, pre-payment is encouraged.
